Dear Michael:

My wife and I are genuinely looking forward to speaking with you, possibly visiting with you, and even -- -- giving you a personal Mazal Tov, when we visit in July .

The work of Joseph G. Weiss is mostly in various articles. You might try his article in the Journal of Jewish Studies (VIII) 1956; his contribution to Tiferet Yisrael (the Rabbi Brodie Festschrift); and his article in 113 (XVII, 1951). He also has a posthumous work on Bratzlav, but I have not yet had a chance to evaluate it.

All best wishes and warmest regards.

Cordially yours,

RABBI NORMAN LAMM
