Thursday,

Dear Rabbi (amm,

I would just like to thank you for giving up so much of your time to see me and for the advice you offered.

Being a Lub, I never like to miss or delay the opportunity of spreading the good word! Please find enclosed Merkaz catalogue for records - I would very much like to hear your reaction to the p'irkei y'el's on V. 7. Also may I recommend the present Lebbe's NIA'el, especially vol. 3+4 - real poetry.

Once again thanks for everything + I hope you agree after immersing oneself in pure 3rd music with the Atte Lebbe that whereas speech is the pen of the mind, music is the pen of the Soul. ~~But~~
