Dear Professor Schreiber: 13

It was a pleasure meeting you at the recent convention of The Union of Orthodox Jewish Congregations of America.

I thanked you at that time for your thoughtfulness in responding to my recent Halakhot ve'Halikhot, but I feel it necessary for me to put my appreciation into writing.

I value your supporting comments of various points in the book, and I value equally the alternative explanation you offer for the linkage of kedushah to the third berakhah of the Amidah.

I do hope you have an opportunity, as well, to read my Torah Umadda.

Once again, it was a pleasure meeting you, and I do hope that we shall have many opportunities for such happy encounters in the future.

Cordially yours,

  
DR. NORMAN LAMM  
President
