Question: Why did not
Torah mention date of
Shavuot, only seven weeks
after Passover?

Answer: Because Shavuot is
time of giving of Torah,
and Torah is lemaalah min
hazeman.

So you: Combine
past/present/future. Past
-- membership YC Board, and
guided by late father in
philanthropy as well as
business... *Ray on 6/12/92*

Present: Inducting now in
as Chairman Board YC; and
Future -- which we pray ^{apride}
will be... and consolation_n
to your mother and family.

wife of Jerome, sister
Susan, Raymond - relatives)
