June 5, 1968

Dear Rabbi Lamm,

Our Taharath Hamishpocho group is endeavoring to get new and future brides interested in going to mikveh. Therefore, we are sponsoring a Bridal Tea where we hope to introduce these girls to the precepts of Taharath Hamishpocho. We are planning on giving them, as a gift from our organization, a copy of A Hedge of Roses in the hope that it, along with our prepared lecture, will inspire their interest.

In as much as we are furnishing this book at our own expense we were hoping that you could give us a special discount price. I've been authorized to spend \$75.00 and would appreciate your giving this your immediate attention and sending us as many books as this amount will cover, as soon as possible, as our tea is scheduled for the end of June.

Thank you.

Sincerely,

*Mrs. M. Lerman*

Chairman of Membership
