Dear Rabbi Lamm, *שמעון*

I am very happy that our paths crossed at the Israeli Dance Festival yesterday. I had written to ask your permission to include "The Dayenu Address" in the Model Seder I compiled.

I am glad that I had the opportunity to thank you in person for all that I have learned from your writings. To have been able to do this was important because it was an expression of *אני מודה לך* to a person I respect and admire.

I am enclosing the Seder Program and hope you like what you read. It was distributed by the Philadelphia office of Bnai Brith to all the lodges in the Eastern Pennsylvania-Delaware State Region.

Thank you for letting me use the "Dayenu" selection. I look forward to reading more of your writings as you share them with your reading audience.

May you and your family enjoy a meaningful Passover.

Very sincerely yours,

Irving Rubin
