Dear Dr. Lamm,

I recently returned from Australia with regards to you from Hans Backrach, ready to tell you that this year's program was a success and that you can continue to "shep naches" from the program you introduced there.

To my surprise -- and delight -- I found a news clipping in my mail of your election to the Y.U. presidency. Mazal Tov! I am sure that it will be a boost to not only the University community, but to the Torah world at large and the entire American Jewish community.

My best wishes to you and your family for a שנה טובה.

שלום וברכה
