c Dear Rabbi Lamm,

Mazel Tov to you in your new Pulpit. I have been following with interest the notices in the Friday New York Times describing your series of sermons entitled "The Meaning of etc." I would like to know whether you have duplicate copies of this series, and if you could advise me about which source books to use in organizing a similar series of lectures for my congregation.

You realize, to be sure, that living several hundred miles from N.Y. makes it extremely difficult for me to get into the big city often enough to keep up to date on the subject of making sermons.

As a former classmate of mine I hope that you will help me in this matter by sending me duplicate copies of your sermons and the names of the source books that I could use in sermon preparation. I thank you in advance for your cooperation.

An early reply will be greatly appreciated.

Your Chaver,

*David Younger*
