Dr. Norman Lamm
Yeshivah University
185th Street and Amsterdam Ave.
New York, New York

I was so very elated to hear of your appointment to the Presidency of Yeshivah University. As one who has come to know and admire you I am convinced that Yeshivah will grow immeasurably under your guidance and leadership. May Hashem give you great strength and health as you face the challenges that lie before you.

With greetings of Torah and Zion,

Sincerely yours,

Avraham Weiss
