MEMORANDUM

TO: Rabbi Jung
FROM: Rabbi Lamm
RE: Visit of Mrs. Kelly from India

You asked me to remind you to write to Mr. Gilbert in Bombay, instructing him that the Joint Distribution Committee money to the Sassoon School would be conditional on the commitment of the Trustees, both old and new, to effect no change whatsoever in the spiritual nature and Orthodox religious character of the school.

This is independent of the constitution of the Sassoon Trust or the School.

Also, you were going to inform Gilbert that Mr. and Mrs. Grossman, now in Bombay on behalf of The Jewish Agency, are expert educationists and should be extended every courtesy and full cooperation.
