

ATTORNEY GENERAL  
STATE OF NEW YORK

LOUIS J. LEFKOWITZ

April 30, 1970

Dear Rabbi:

I wish to compliment you and the others who were working with you for the Exodus March and also for the very orderly manner in which the matter was handled.

You and the others are to be complimented too for the efforts you are making to focus attention on the problem affecting our people in Russia.

Warm personal regards.

Sincerely,
