Kubrick in London

March 8, 1968

Dear Dr. Lamm:

Stanley Kubrick has asked me to invite you to the Premiere of 2001 which will take place on April 3, 1968 at the Capitol Theatre in New York City. He is arranging that the Metro-Golden-Mayer Organization will forward you an invitation and two reserved seat tickets. If, for some reason, you do not receive these tickets within one week of the Premiere, please have your secretary contact the Publicity Director of the local MGM office and remind them to send them to you.

I am very sorry to say that due to a technical fault which occurred during the filming of your interview, it has not been possible to use any portions of that interview in the film.

If I can be of any help to you, I can be reached at Polaris Productions, 239 Central Park West, New York. Telephone TR 4-0413.

Yours very truly,

Benn F. Reyes
