Rabbi L. Rosenfeld  
Rector of the Department of Yeshivas  
Jewish Education Committee  
1776 Broadway  
New York, N.Y.

Dear Rabbi Rosenfeld:

I want to call to your attention the fact that no All-Day school exists in all mid-town. I believe that it is possible to establish an All-Day kindergarten and perhaps arrange for classrooms in my synagogue, the West Side Jewish Center.

I hope that you will be able to be of assistance to me in this project. I know that I can count on you and the Jewish Education Committee for full cooperation.

Sincerely,

RNL:SF

Norman Lamm, Rabbi
