I spoke last week at the end of the service abt the need of continued protest. Would you do the same this year. I'll refer to it on my radio.

Dear Rabbi Lamm:

I feel that it is time for the Jewish Center membership and friends to know about my contributions to the problems of, the unity of the Jewish youth organizations, and, Soviet Jewry.

I am a member of the Student Zionist Organization's National Executive Committee. My main outlined task is to bring the Plight of Soviet Jewry to the College campus. In this role, I must formulate educational programs on the oppression and harassment being enacted upon Russian Jewry, and, create and devise social-action oriented activities encompassing this problem.

I am a member of the executive body of the North American Jewish Youth Council Sub-Committee on Soviet Jewry. This committee comprises all of the national Jewish youth organizations. Our basic function is to formulate and coordinate all national activity to help the plight of Soviet Jewry.

As I have already told you, last week I was elected Youth Chairman of the newly formed New York Youth Conference for Soviet Jewry. This Conference is made up of all the Jewish youth organizations in the New York area. Our first major program will be, the December 11th protest demonstration for Soviet Jewry. This program will consist of a youth procession, to start at the United Nations (U.N. Human Rights Day), and end at Cooper Union (this is where the adults will be holding their program). We will have a short program at Cooper Union to be followed by singing and dancing. Theodore Bikel has already consented to sing for us.

I earnestly believe that an announcement of this activity should be made from the Pulpit. If it is announced and people request more details, I will be more than happy to speak to them. The Jewish Center must participate in this internationally important event. I remain,

Sincerely yours,

Victor Weinman
