Dear Rabbi Lamm:

In looking over my memoranda on file about Kodimoh, I came across your Bulletin of the Jewish Center.

It occurred to me that this Bulletin could give me a great deal of information and insight on how a very successful religious institution like yours is conducted. In other words, it can give me fresh ideas on how to improve Kodimoh.

I should greatly appreciate it if you could put me on the mailing list for the Bulletin.

Kodimoh is going along fairly well, but nothing really exciting that I can get enthusiastic about.

I shall be in New York Monday through Thursday, Jan. 31 to Feb. 4th. If it is at all possible, can we arrange to have lunch together some noon during that time.

My best regards to you and to your family.

Sincerely,

A E Coen
