I heard on the radio today
of your election to the presidency of
the Yeshiva. I take that it is now
official and *ענין ידבר* 26 *שו"ת* are now in
order. May you go *שו"ת* to *שו"ת* and be a
worthy successor to Rabbi Rens and Belkin *BS*.
May you be privileged to raise Torah's banner
even higher.

1. וספיקא ד'דקו"א ד'באמ"א ו'באמ"א

May I send you, your wife,
and children health and happiness to
assume the new burden with ease and joy!
