Dear Norman,

May I join the many of your well-wishers in extending to you warmest congratulations on your selection as President of Yeshiva University.

In following in the footsteps of Dr. Bernard Revel ^{FBS} and Dr. Samuel Belkin ^{FBS} you have a monumental task ahead of you, but one in which there is no doubt you will succeed.

Yeshiva has made its mark in the world Jewish community as a Torah and educational institution of the highest calibre. I should like to wish you success not only in advancing these standards, but in improving Yeshiva's image, where only the highest standards of Torah and ^{תורה} are maintained.

Congratulations again. ^{נחמתיך}

Cordially,

Rabbi Israel Poleyeff
