Dear Avi: ר"א

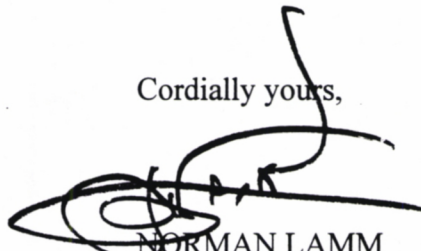

Many thanks for your letter and the enclosures--all of which I read with much interest and delight.

My grandfather, o.b.m., who ~~was~~ also my *Rebbe*, wrote a couple of *sefarim*. When another author mailed his work to my grandfather, the latter would respond by sending him a copy of his *sefer*, and inscribe it: *chaburah tachat chaburah*. . .

In the same spirit, I enclose a number of recent publications, and will have another one sent to you separately.

Keep them coming!

Cordially yours,

  
NORMAN LAMM  
President
