Dear Mr. Kaufman:

Dov Zakheim has already written to you and cabled to you a number of times concerning my expected appearance in Kiljava.

Meanwhile, I sent you, according to your request made of me through him, a photograph and curriculum vitae.

In addition, I am hereby enclosing a brief outline of the two lectures I am to deliver on Tuesday morning, December 30th. Of necessity, they are very brief.

May I suggest that henceforth you communicate with me directly.

I would like to repeat a number of items that Dov Zakheim has already mentioned to you:

- (1) Because of other commitments, I have made my own flight arrangements and prefer to be reimbursed by your organization either directly or in Helsinki for the cost of New York to Helsinki and return.
- (2) I prefer to have private accommodations from the time of my arrival on Sunday night, December 28th, through my departure on Wednesday, December 31st.
- (3) I would very much appreciate it if it could be arranged for someone to meet me at the airport in Helsinki when I am scheduled to arrive on December 28th at 5:10 P.M. via Finnair #832.

One more item: I prefer that the lecture on Neturei Karta be given first, and the one on Zionist Orthodox ideology be given second.

-2-

I do look forward to meeting you and getting to know other leaders of the WUJS.

Sincerely yours,

RABBI NORMAN LAMM
