Dear Dr. Weiss:

I am sending you all the enclosed material Special Delivery. I consider it quite urgent.

You will notice my brief reply to Jhirad. It is necessary for us to consult immediately about our future action and to salvage whatever we can from this situation.

In addition, I fear that when it is discovered that Gotthold is an official of the Ministry of Religions, the whole situation may explode.

Please call me on this as soon as possible, and return all the enclosed material to me after you have mailed off my letter to India.

If you wish, you may of course make photocopies of any or all of the enclosed.

Cordially yours,

RABBI NORMAN LAMM
