Dear Chaye:

I talked to your dad today on the telephone to explain to him why it is so very important that your father should make a trip to Minneapolis during the Convention of the Midwest Region of the Union of Orthodox Jewish Congregations.

It is not so long ago that your father returned from a long trip to Africa and we know that your dad is extremely busy in New York with his own congregation and many other activities.

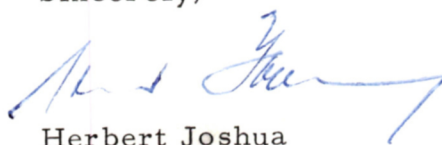

It really is not fair to ask your dad to undertake this strenuous trip to Minneapolis, but we sincerely believe that there is no other man in America who could accomplish what we hope your father may do through his presence here.

Actually, Minneapolis is a wonderful city and Minnesota a beautiful state with more than 10,000 lakes. It really would be wonderful if your two brothers and sister, Mom and Dad and you could all come for a vacation up here and my four kids would take you to Itasca Park where the Mississippi River originates.

I understand the weather in New York is already very hot. That is a very good time to have Ice Cream Sundaes. Food Producers makes a lot of different Ice Cream Toppings and I am sending you a package containing different kinds like Strawberry, Pineapple, Butterscotch, and Chocolate. Now you can play "Ice Cream Parlor" at home and make up your favorite sundae.

With kindest regards,

Sincerely,

Herbert Joshua
