Dear Rabbi Lamm,

Our Journal, "The S.A. Jewish Observer" is the official mouthpiece of Religious Zionism in this country and fulfils an important role in the community. Every year we publish a special Rosh Hashana Annual and at present we are busy with our 1962 Rosh Hashana Annual.

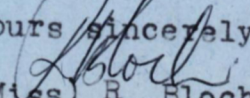

Men of the calibre of Rabbi Dr. Leo Jung, Rabbi Dr. A. Altmann, Professor S. Baron and Herman Wouk are a few of the many distinguished names of contributors chosen at random, whose articles have been featured in some of our past issues.

We shall consider it a privilege to feature an article penned by yourself, which will most certainly add to the prestige of our Annual. My Editorial Board has suggested that we should leave the subject of the article to your discretion. The length of the article should be approximately 1,000 - 1,200 words and deadline for receipt of copy is the 6th August, 1962. We would be pleased to receive a photograph of yourself as well as a few biographical notes to be featured with the article.

The limits of our budget at the present time, unfortunately, do not permit us to offer substantial honoraria, and we, therefore, propose paying a nominal sum of three guineas, as a token of our appreciation for your kind and valued support, and we hope that in this spirit it will be acceptable to you.

We look forward to hearing from you in the affirmative and sincerely hope that we will have the pleasure of featuring your article.

Thanking you in anticipation,

Yours sincerely,  
  
(Miss) R. Bloch
