Dear Mrs. Winkler:

I think it is just wonderful that you have undertaken to help in the matter of the Russian Jewish immigrants. As a reward for being a good girl, I hope to send you shortly a copy of my sermon on the subject.

Meanwhile, perhaps the best way of going about the business is by calling my mother-in-law (724-2433) to ask her for the techniques involved. The bundles should be mailed to Rabbi Itzhak Kalman, Rechov Mishmar Haam 10, Jerusalem/ If you can raise the money to pay for postage (I believe it is about \$10 a bundle) that is best. If not, do not let it stop you but let me know and I will provide the funds for it.

Love to all.

Cordially,

RABBI NORMAN LAMM
