Dear Rabbi,

I have enclosed herewith a copy of my letter to Dr. Weiss. I regret very much the delay in submitting the report about the classes etc. Let me assure you, and believe me this is because of your visit, we have been able to create a revival of Jewishness in the minds of the Indian Jewry. We are getting along quite well with Grossmans and the Agency, and with the training of a few more teachers, we will be able to extend the facility to distant villages.

It will interest you to note that the 'Etz Maeem' Prayer Hall, Umerkhadi, Bombay and the 'Magen Abraham' Synagogue, Ahmedabad has affiliated with the Orthodox Union, thanks to you.

After a lot of mental agony and fighting position/monetary gain against service to community for a religious cause, I have finally declined the offer of the post of Manager of the Bank. I may even not contest election for the post of Secretary this year, although I was elected for all the past four years by an overwhelming majority.

Is it likely for you to take the trip to India in the near future, if it is so I wonder if I can request you to bring ~~for me~~ one electric shaver for my use. I could pay you equivalent cost in Indian money here.

Have there been any further developments about the proposed factory?

With my personal regards and best wishes.

I am,

Most sincerely yours,
