Dear Rabbi Lamm,
Shalom

I am in receipt of your kind letter dt 22nd ultims
and thank you for the same.

I am glad to inform you that the chairman,
Editorial Board of who's who in World Jewry, asked me
to recommend individuals, and had sent me Recom-
mendation form for inclusion in New edition (Third
Edition) the names of individuals. I have sent your name
the chairman as Mr J. J. Carron Karpman from
Israel. The questionnaire form will be sent to you
on your name & address at New York: Please give
your biography & oblige. Thanks: This would appear
in the Third Edition. I hope and pray that you have
no objection of my giving your name & address. I have
done this in good faith.

I am well by the grace of God. My wife on
medical advice has to take out all her teeth and
fix a new set (artificial). Probably this may also
be one of the reasons for not keeping good health.
All her teeth were decayed and while extracting
they are away, most of them in some bits and she had
a terrible agony while extracting. Anyway God
is good: He will help her Amen.

Poona celebrated the 21st anniversary of Israel
Independence Day. Speakers from Bombay had come
to Poona. The function was held in "Ohal David"
Synagogue. I was in the chair as president of Poona
Zionist Association
