Mr. Bernard H. Marks
425 East 79th Street
New York, N.Y. 10021

Dear Mr. Marks:

I suggest that before I write up any proposal on the English translation of the Code of Jewish Law, you let me know about the suggestion that I made, namely, that you sponsor a research assistant who will work under my direction to prepare the groundwork for my translation.

Please let me hear from you when you have mulled over the matter.

Cordially,

RABBI NORMAN LAMM
