Dear Dr. Bronner:

My devoted thanks for your latest book, The Stories of
Elijah and Elisha, which I just received.

While I have not yet had the opportunity to read it with the detail and attention it no doubt deserves, I did read enough to whet my appetite. I know that your thesis, so ably proven from the Ugaritic texts, that the stories about the two prophets are relevant and meaningful and not the fabrications of later and imaginative editors, will do much to restore the faith of the doubtful in the historicity of the biblical texts.

More power to you, and warmest regards to Rabbi Bronner.

Cordially,

RABBI NORMAN LAMM
