Dear Moe:

I know how busy you are, especially with all the recent unfortunate development in your family. Nevertheless, I am sending you enclosed the most recent copy of the CCAR Journal, and suggest that you read carefully the very first article on Reform Judaism in Israel. Especially notice the underlined parts. I think it is important for someone in your position to be aware of the kind of secret activity currently being conducted by the reformed group.

Fondest regards.

Cardially yours,

RABBI NORMAN LAMM
