File: Jichromel
letter

Rabbi Dr. Immanuel Jakobovits

I have just received your "Issues of Faith"
and read it with sheer delight. With your
permission, I might like to borrow one or two
phrases for my Installation address.

You have no doubt seen the fair reproduction
of your letter in the J.C. Evidently your name
was too big to be ignored, as they would surely
have loved to. ps sk" again!

Best regards

Immanuel
