Dear Rabbi Jung:

You may have heard of the Association of Religious Academicians in Israel. One of the three presidents, Rabbi Rabinowitz of Holon, will be stopping off in New York for one day. He has asked to meet with you and a few other like-minded individuals, in order to discuss the possibility of an international organization.

We shall be gathering for a very brief meeting at The Jewish Center on Wednesday, June 21, at 8:00 P.M. You may bring along any colleagues who qualify for this kind of group.

Please notify my office as soon as possible whether we may expect you and any others.

Sincerely

RABBI NORMAN LAMM
