RABBI NORMAN LAMM

Pres. of Y.U.

Dear Rabbi Lamm!

It is so painful to witness that even
a leader such as you, is becoming
a partner to a ~~evil~~ such as

EMANUEL RACKMAN.

— my ~~friend~~ have declared this man to be
a ~~friend~~ ~~evil~~

and you have succumbed to his views,
which, as you can see from his articles,
especially the last in the Jewish Week, July 24, 1987,
are full of hatred against the Torah
world, the Torah Jews.

I used to admire you, Rabbi Lamm, but no
more. Now I finally understand what I heard
once from one of the ~~wise~~ ~~men~~, that Yeshiva
University is even more dangerous to Judaism →

than conservative or even Reform Organizations.
I remember, the words sounded outrageous
to my ears, but not anymore, since I read
the passionate hatred and evil tongue that
serve Dr RACKMAN and his like against
the true Judaism.

I Guess, you and him are the kind of Jews
about whom the Torah has become a פסוק,
פסוק!

I write these words to a man, whose books
and articles I used frequently in my מכתב,
with love and admiration, So, you can understand
my regrets for having to write this letter.

May G^d help you to remedy to this חטא.

With בכבוד רב
