Dear Rabbi Lamm:

First Vice-President

SOPHIE TRENT, M.D.
236 West Main Street
Meriden, Conn. 06450

Our mutual friend, Rabbi Katz, has suggested that you might be willing to assist me in a project. Because of a renewed interest in Sex Education, the American Medical Women's Association is attempting to gather together (in one issue of our Journal) a group of articles which would be helpful to physicians who are called on to assist in formulating Sex Education Programs in their communities.

Second Vice-President

LAURA E. MORROW, M.D.
197 Passaic Avenue
Passaic, N. J. 07055

We would like very much to have a brief summary of the religious attitudes towards sex education. I suppose we have in mind a paragraph or two from each of the major religions supporting our attitude of the need for continuing and possibly improving sex education.

Secretary

MARGARET P. SULLIVAN, M.D.

I would be most grateful if you could arrange for the contribution of a brief statement of the Jewish viewpoint.
