Dear Rabbi Lamm:

Congratulations on your having been selected as President of Yeshiva University. The great institution of learning has done exceedingly well in selecting a man of remarkable skills and high moral character for the position. You will certainly bring it further ahead in its service to education and the Jewish community.

The entire Jewish community should rejoice in your selection. We of Larchmont Temple are delighted for all parties concerned and assure you of our respect and commendation.

With warm personal regards.
