Dear Norman,

Yasher koach on your acceptance speech which I read in
Panim el Panim. It was written bituv taam.

I had lunch with Joe Lookstein in Tel Aviv, and he
hinted that there might be good news about you soon. I
hope so, for your sake and theirs.

Is a copy of your paper: "The Quest for World
Community Based on the Resources of Other Faiths" available
yet? If so, I would like to see a copy, since I am
speaking on a similar theme at a dialogue here soon.

All good wishes,

I am speaking in New York Sunday
night - and will try to call to
say hello if I can on Monday.
