Dear Manny:

I had been in contact with some Israeli friends, and with Herman Wouk, concerning the Russian translation of This Is My God.

Wouk told me that Haskel Lookstein was working on it, and I believe he wrote to you on March 21 asking whether any progress had been made on it.

Would you be kind enough to let me know if anything has been done on this project.

All best regards.

Cordially,

RABBI NORMAN LAMM
