Dear Dr. Rosengarten:

During my recent trip to India I visited the fabled city of Poona, and there a young girl showed me the enclosed poem, which expresses her Jewish feelings.

I think your readers might be interested in this short poem from a Jewess in the Far East. I know the young lady will feel most proud to have her poem published in the "Jewish Forum." Her name and address appear on the back of the page.

May I ask you to inform me as to whether or not you intend to publish it, and in any case to return the original manuscript to me.

With many thanks, and best regards,

Sincerely,

Rabbi Norman Lamm
