New York City

Dear Norman י"י :

"Hedge of Roses" has finally bloomed into "Uma Sebe de Rosas". It has ~~undergone~~<sup>7420</sup> quite a thorny way, but B"H "lefum tsaara agra" the result is quite rewarding.

After two translations which did not qualify, we have finally succeeded into having a good translator do the job, and the final revision was done by one of members of the Brazilian Literature Academy, the highest literary society in Brazil. The cover was done by a fine French professional in Rio.

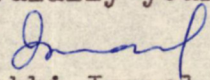

We hope to have the book out within two or three weeks, א"י .

Your copy will be mailed to you airmail, and the other copies which were requested by Feldheim, 50 for you and 100 for him will be mailed by ship.

Do you know of any Jewish Marriage Counselling Clinics in New York? I have been in touch with the Jewish Marriage Education Council in London. They are doing a fine job. I ask you, for I am planning to open a Marriage Counseling Clinic in Rio. It will have a pre-marital orientation and marriage counselling /c218 .

Thanks for any and all information on this subject.

Cordially yours,

  
Rabbi Ismael Cohen
