Dear Rabbi Lamm:

Someone told me once that there is a Talmudic saying which goes something like this: "Money is like a woman; it submits only to love." Is there such a saying in the Hebrew lore?

I hope this finds you well. I've just come through a minor operation and am rapidly regaining my strength.

THE DEPUTY still goes on making history. It played a record-breaking engagement of six weeks in Toronto where it was produced by a local company and you probably have been reading about what's been going on in Italy. Incidentally, I would like to know if you are continuing with your lecture program at the YMHA.

Sincerely,

HERMAN SHUMLIN
