Dear Dr. Gang:

The people in my congregation who might be interested in a revival of Mizrahi in accordance with your plans would include Mr. Marcel Lindenbaum, 145 Central Park West New York 10023, Mr. Aaron Green, 115 Central Park West, New York 10023, and Mr. Morris Green, 101 Central Park West, New York, 10023.

I wish you a great deal of good luck in your efforts, and I hope you understand my point, which I made several times previously, that my schedule simply does not permit me to take any part in these activities, worthwhile as they are.

Cordially,

RABBI NORMAN LAMM
