Dear Norman:

I just returned from out of town and found a mailgram notifying me of your unanimous election as President of Yeshiva University.

I want to extend my warmest congratulations and express full confidence that the University will reach a new high level of achievement and prosper under your leadership. I also want to offer my cooperation and assistance in any capacity in which you think I could be of some value.

With warmest personal regards.

Sincerely yours,

Sasha England, Ph.D.
Professor of Biochemistry
