It is the responsibility of the clergy to raise
its voice and call an *ענינה* an *ענינה*, even
if it's greeted with unpopularity, particularly
when it is a matter of an *ענינה*.

I sincerely hope that you as a responsible
and respected leader of a Jewish community and
a teacher of Jewish Thought whose *קול* and
students look to you for leadership and guidance,
will reconsider your statement which is
הרדוק and quote unequivocally and
fearlessly the *הלכה* by which Jews and
ישראל are to be governed.

With kindest personal regards.

Respectfully,
Chaim Pincus
