Dear Dr. Weiss:

Enclosed please find the letter from Kelman and my comment on your photo copy.

I am also sending you, under separate cover, a batch of bulletins sent to me from India.

I would take Kelman very seriously, although I have the feeling that he is just a bit overdoing his criticism of U.O.J.C.I. Nevertheless, it most certainly does warrant our attention. Unfortunately, I have not yet seen the copy of "Mebasser" which reportedly contains the diatribe concerning the "purity" question.

I do not know who Schmucl Bornstein is. I assume that the Rabbi referred to in the correspondence is Rabbi Schweika.

Please do be kind enough to answer Kelman on my behalf telling him that the letter was sent to you, etc., etc. I do not think it will be out of place for you to goad the U.O.J.C.I into more constructive activity, especially in education.

Be well and do not work too hard.

Cordially yours,

Rabbi Norman Lamm
