42 - One of the world's most famous beaches, playground of the South Pacific and yearly mecca for thousands of sun and sports-loving tourists, which is fifteen minutes from Sydney.

Dear Rabbi Mrs. Lamm,  
 although it has been 3 months since the birth of our little daughter, Rachel, we have been trying to get your address - unsuccessfully. Strange though how we had get it though. About 2 weeks ago we went to U.S.A. on business. While in L.A. we stayed at the Beverly Hilton - the Sunday we were leaving there was a barmitzvah

Suddenly we saw an identical image of myself - thinking it was you we greeted Rabbi Lamm only to find he was your brother. Hence the address!

Rachel was born first day Rosh Hashana - 9 1/2 lb heavy with blue eyes + a shock of black hair - a sheer joy & pleasure to be given a present - she is so good!!!

My parents naturally spoil her, but it is their privilege

We wish you

Best wishes
