Unofficial

Hon. Paul Screvane
President, City Council
City Hall
New York 7, N. Y.

Dear Mr. President:

This is to confirm my conversation with you last week in reference to the removal of alternate side parking on Saturdays on the west side of Manhattan.

I appreciate your indication that you will look into this matter, which is of particular concern to observant Jewish residents.

Thanking you in anticipation of your early attention to the above, I remain,

Respectfully yours
