Dear Rivka:

I am glad to inform you that the Center will be happy to accommodate the Yavneh Study Institute for a period of six weeks in July and early August.

We understand that a maximum of thirty students and about five teachers will be making use of our classrooms on the ninth floor from 9:00 A.M. to 1:00 P.M. I suggest that you contact Mr. Aleck Bloomenthal, our Executive Director, as soon as possible concerning the arrangements.

Unfortunately, it will be impossible for us to arrange for a supplementary class on Tuesday and Thursday evenings. Our building is closed weekday evenings during the summer months and the expense for opening it would be prohibitive. I am sure you will understand.

With all good wishes for your success,

Sincerely yours,

Rabbi Norman Lamm
