Mr. Max Kettner  
717 - 5th Avenue  
New York City

Dear Mr. Kettner:

After having imposed upon you some weeks ago in the matter of approaching Senator Javits about his appearance at the Springfield Hebrew Day School in Springfield, Mass., I am most pleased to report to you that the mission was successful.

The Senator did in fact appear at the Annual Banquet of the school on December 1st, and his address was extremely well received. He very thoughtfully encouraged his listeners to make contributions to the school, and added that he was going to do the same. In fact, several days later a check of \$500.00 was received from Senator Javits.

I want you to know how grateful I personally am to you for your cooperation and your assistance, and I want to convey to you the very same sentiments on behalf of the leaders of the school in Springfield.

I hope you have many many opportunities for many years to come to perform such "mitzvot" on behalf of Torah and Israel.

Warmest personal regards to Mrs. Kettner.

Sincerely,

RABBI NORMAN LAMM
