Rabbi Norman Lamm,  
The Jewish Center,  
131 West 86th Street,  
New York, New York 10024

Dear Rabbi Lamm:

May I offer my congratulations upon your appointment as President of Yeshiva University. One might be tempted to say that Yeshiva's gain is the Center's loss. However, such a magnificent gain for Yeshiva cannot be anything but a gain for the entire Jewish community.

Please send my regards to Mrs. Lamm and the rest of your family.

Sincerely yours,
