- ② PERSONNEL - Bad News: not enough quality ppl going 7/15/24, incl J-ed;  
 rule broken least: low salary, modest prestige.  
Good News: fact so many are here -- learning & persistence in collegiality --  
 is salutary. New sense urgency D-ed by FEL, philanthropy.

Moreover, UV has programs for you:

mention could be made of the fact that our programs in Graduate Jewish Education were developed to aid them.

Our masters programs in Elementary Jewish Education and Secondary Jewish Education are designed to make them more effective teachers and provide them with an advanced degree.

Our Certificate program and Ed.D. program prepare them for positions in Administration and Supervision in Jewish education.

Significant scholarships are available for individuals who are presently employed or plan to be employed full time in Jewish education.

- (4) 3<sup>rd</sup> -- SIMILARLY - INDIVIDUAL/INDIVIDUAL/EGOCENTRICITY -

self-actualization: self-realization / expression / fulfillment

- (6) professionals often see words too boldly.  
From my vantage - more good news > bad news ...  
Centrism - normal normative norm - always and, always will  
subtle tensionism. But only admit completely free of  
all tensions - admit or deny.
