CALENDAR OF EVENTS

A MESSAGE FROM RABBI LAMM

My dear Friend,

It is a real and genuine pleasure for me to say "Hello" and welcome you in the pages of this, the 1st Kodimoh Youth Bulletin.

I want to say that I am proud of you and of your group leaders and teachers. And I think you should be proud of your synagogue, Kodimoh.

During the past several months we have really been happy to work not only FOR you, but WITH you. Together we have made a success of each of our projects, from Junior Cong. to Senior Cong., from our youngest Jr. Oneg Shabbat group through the Yaar Ganim to the Bnei Mitzvah.

Now, thank God, we have published our 1st Bulletin. Remember-it is your Bulletin, just like its your group and your Synagogue. Feel free to criticize it, and to write for it. Remember that this is your project, and whether it succeeds or fails depends upon you.

Let me wish you lots of luck in this new venture.

May God be with you as you become a proud, respected and noble son or daughter of Kodimoh.

Sincerely,

Rabbi Norman Lamm

A REPORT BY A REPORTER

The Junior Congregation of

Kodimoh Synagogue is now going

full force. We usually say it

is led by Mr. Tuchman but now

we can say it is led by the

boys and girls. We have a Rabbi

who announces the pages. We

have instead of one, two cantors.

We also have a sermonette which

is written by one of the children

When the services are over Mr.

Tuchman sings for us, and tells

us interesting stories.

In October, we had election of

officers. The following were

elected. Stephen Shapiro, Pres.

Patricia White, Vice Pres.

Barry Askinas, Vice Pres.

Barbara Izenstein, Sec.

Henry Gold, Treasurer.

After the services, we have

refreshments served to us by

the hostesses selected for the

week. We pray to God and at

the same time feel we have done

a good deed that day. Why don't

you come to our service.

Barbara Izenstein, Reporter.

.....

MAY I HAVE A WORD WITH YOU.....

Elsewhere in this publication, you will read about the Junior Congregation, by someone who is very qualified to discuss it—an officer and a regular attendant at all our services.

I myself want to emphasize only one or two important points. First, this is a Junior Cong. which is not conducted by me. It is conducted by the boys and girls who make it up. They are the Cantors, they deliver the sermons, they announce the pages, they act as ushers, they distribute the Taleism and Siddurim, and they serve the refreshments. I only tell a story every Saturday and keep an eye on things.

If you want to have a part in such a Junior Cong. and learn to conduct a Sabbath Service—you are welcome to come.

Secondly, our Junior Cong. is planned to give its members a good time. Of course, we are going to distribute prizes to deserving and outstanding members.● But in addition, early in January, we shall begin planning some parties and excursions, just for Junior Cong. members. I won't plan them. The Junior Cong., with some help from me, if it is needed, will do the planning. And we should have a lot of fun.

The more boys and girls we have coming to our Services, the bigger will be our parties and excursions, and the greater our good time.

I'd like to see you next Saturday. Try to make it at 9.45 A. M.

Sincerely,
H. Tuchman
