My dear Rabbi Lamm,

It is some time since I wrote to you. The work here is proceeding and our Education Committee is going into the problem of getting to grips with the problem of intensifying our educational set-up here.

I cannot tell you how deeply appreciative I am of all the material which you have sent me. I find your writings and the numbers of "Tradition" a veritable storehouse of knowledge and inspiration. I should be obliged to you if you would make the Board of Education a permanent subscriber to "Tradition". Recently I have received the reprints as well as copies of "The World Over". I wish to tell you how deeply I am appreciative of your friendship and kindness.

I hope that things are going well with you, and I wish to send you the regards of my family as well as myself.

With every good wish.

Sincerely yours,

Isaac Goss

RABBI ISAAC GOSS.
